## Stuart & Maury, Inc.

presents for sale

# 6207 Massachusetts Avenue

BETHESDA, MD 20816

Wood Acres has a stellar reputation as one of the most desirable areas of Bethesda, known for attractive brick colonials lining its shady neighborhood streets. The atmosphere in Wood Acres is caring and friendly and there is a spirit of community that makes people proud to live here. The neighborhood elementary school was beautifully rebuilt in 2002 and there are plans to expand further in the near future. This unique Montgomery County school has its own observatory and the park behind the school is a "Norman Rockwell" setting for children of all ages. You may have even heard about the fabulous Halloween festivities or the old-fashioned Fourth of July parade and picnic that are famous in this part of Bethesda. Owning a home in Wood Acres gives you more than just a building with some rooms in it – you get the warm feeling of belonging that comes with being part of a wonderful tradition that has been carefully nurtured by its residents for a very long time. It is an excellent place to live and you will love it!

The Wood Acres home pictured here has been owned and carefully maintained by the same family for over forty-seven years. Sited on an extra-large corner lot with lovely plantings and trees, the driveway access is from Ramsgate Road, on the left side of the house. The original home, with three bedrooms and two baths has been improved to include a large addition on the right side that is currently being used as an office but would make an ideal first floor family room. There is also a den on the other side of the house that has a spacious full (third) bath. This is an excellent opportunity to take advantage of a great value in a terrific neighborhood. Please enjoy your visit and thank you for your interest.

**Price:** \$749,000 **Lot Size:** 9,415 sq. ft.
