

3604 THORNAPPLE STREET
CHEVY CHASE, MD 20815

Built in 1926 and ideally located in the heart of The Village of Chevy Chase, Section 5, this wonderful home offers 4 bedrooms, 3 full bathrooms and the charm of the past thoughtfully blended with the amenities of the present. Tastefully expanded and renovated, this special home offers approximately 3200 sq. ft. of living space.

Freshly painted in neutral tones, this home offers an inviting foyer, spacious living and dining rooms making it ideal for entertaining guests. Wide trim moldings, high ceilings, hardwood floors on the main level and second level help maintain the original character of this home.

The remodeled and expanded kitchen has granite countertops, an abundance of cabinet storage and opens to a wonderful family room with cathedral ceilings and large windows overlooking a professionally designed and landscaped backyard and patio. A large mudroom with bench storage, shelving and skylight was designed out of view from the adjacent living spaces.

The second level offers a large master bedroom and dressing room with custom built-in closet shelving and ample hanging space. A remodeled master bathroom with two pedestal sinks, soaking tub and walk-in shower adds to this well designed master bedroom suite. A fourth bedroom with fabulous windows completes the second level.

Walking distance to restaurants, shops, neighborhood parks, playgrounds and weekend farmers market there is no doubt that the next owners will love and enjoy this special home as much as the current owners have for the past 30 years.

Enjoy your visit.
