

9621 CULVER STREET • KENSINGTON, MD 20895

Welcome to this handsome and thoughtfully updated home in the highly desirable neighborhood of Rock Creek Highlands. From the freshly painted exterior and new roof to the stone wall and brick paver walkway, the home exudes curb appeal. Inside, there are wonderful amenities such as detailed millwork, beautiful hardwood flooring, recessed lighting, replacement windows, and gas and wood-burning fireplaces. The centerpiece of the house is a dramatic great room addition off the kitchen, which opens up the rear of the house to the gorgeous backyard. Large windows, skylights flooded with sunshine, high ceilings, and a versatile open space layout highlight this multi-purpose room. Some of the other features include an eat-in kitchen with custom cabinetry and updated stainless steel appliances, separate living and dining rooms, family room, laundry room, lower level recreation room, master suite with bath, three additional bedrooms, and a one-car garage. The private, quarter-acre lot is accented by many impressive specimen trees and mature plantings. There is a large, flagstone patio with a Weber natural gas BBQ grill. So come in and discover why this is an exciting value in today's real estate market.
