Bethesda, MD 20814

Wood Acres has a stellar reputation as one of the most desirable areas of Bethesda, known for attractive brick colonials lining its shady neighborhood streets. The atmosphere in Wood Acres is friendly and there is a spirit of community that makes people proud to live here. The neighborhood elementary school was essentially rebuilt in 2001-2002 and went through another expansion in 2016. This unique Montgomery County school has its own planetarium and the park behind the school is a “Norman Rockwell” setting for children of all ages. You may have even heard about the fabulous Halloween festivities or the old-fashioned Fourth of July parade and picnic that are famous in this part of Bethesda. Owning a home in Wood Acres gives you more than just a building with some rooms in it – you get the warm feeling of belonging that comes with being part of a wonderful tradition that has been carefully nurtured by its residents for a very long time. It’s an excellent place to live and you will love it!
